

Nicole Valentina Santana Rodriguez

Junior Data Science Student

Email · Phone Number · LinkedIn · Github

ABOUT ME

- Data Science student with a solid background in statistical analysis, data mining and deep learning. I have developed key competencies in data visualization, big data and advanced statistical models. In addition, my training includes specialized knowledge in the processing and analysis of electrophysiological signals.

I combine technical skills such as programming, optimization and data structures, with an ethical and managerial approach to tackle complex problems. I am passionate about working in teams, developing innovative solutions and managing projects focused on data-driven analysis and decision making.

EXPERIENCE

- **Internship Application Developer.** (Ene.2025-Jul.2025)
IBM

EDUCATION

- **Bachelor's Degree in Data Science.** (2022-2025)
Externado University of Colombia
- **Continuing Education (Open Year).** (2021)
University of Los Andes
- **High School Education with Emphasis on Basic Sciences Applied to Engineering** (2020)
La Merced School - Sergio Arboleda University

CERTIFICATIONS

- **English C2 Proficiency**
Education First SET Certificate Oct.2024
- **Analysis and Data Visualization**
CYMETRIA Ago.2024
- **Code In Place**
Stanford University Jun. 2023
- **Data Visualization with Python**
IBM Apr. 2023
- **Data Analysis with Python**
IBM Jan. 2023
- **Developing Skills for Innovation in the Fourth Industrial Revolution**
National University of Colombia Nov. 2020

AWARDS

- **First Data Visualization Contest**

Best Presentation

Catch Consulting

Jun. 2023

- **Excellence Medal**

Highest recognition awarded to outstanding students of the graduating class

La Merced School

Nov. 2020
